

Tree Replenishment Program Form

Follow the steps below to submit your application to plant a tree in the Common Grounds area.

1- List your reason(s) you want to install a tree on Common Grounds.

2- Review the 'Approved Replenishment Trees' sheet and list your requested tree(s).

3- Attach a rough sketch of your property noting the proximity of the Common Ground area you are requesting to have a tree planted. Be aware to keep open all access areas for emergency services into the Common Grounds and of the necessity to avoid underground utilities while digging.

4- Check which method of installation you are planning to use to install your tree?

() purchase and install the tree myself.

() hire a contractor to purchase and install the tree.

(Contractor Name: _____)

() make a donation to the Garden Committee to purchase and install the tree.

5- Homeowner Name: _____

Address: _____

Phone: _____ E-Mail _____

The **financial cost to you**, the homeowner, could start at \$200.00 to cover the price of the tree, soil amendments, mulch, tree stakes, wire-enclosure & support poles to protect against deer browse / antler rubbing.

The **time cost to you**, the homeowner, would be the requirements to water the tree and maintain the enclosure for 12-months after the installation. Once installed, your tree becomes the property of the SRP Westerly HOA.

Sign, date & return this form with your sketch to the Trustee mailbox in the Clubhouse. **Do not plant your tree until you have the final written approval from the HOA.** It is recommended you speak with any neighbors about the plan installation of your tree. The turn-around time to review and approve or deny your request could take up to 30 days from the date of your submission so your patience is appreciated.
